Have Diabetes, Will Travel

Traveling With Diabetes

Having diabetes should not stop you from doing the things you love, and that includes traveling. Below is a collection of sources on traveling with diabetes:

From Empower Your Health: Travel Check List

To help you pack for your trip, here is a checklist of supplies to take:

- 1. Diabetes pills, insulin in vials or pens, or other injectable diabetes medicines
- 2. Syringes or insulin pens
- 3. Glucose monitoring equipment glucose meter, lancet device and lancets
- 4. Snacks
- 5. Diabetes identification wallet card, necklace and/or bracelet
- 6. Emergency supplies such as quick-acting sugar, like glucose tablets, and ketone test strips. If you use insulin, also bring a glucagon emergency kit.
- 7. Other helpful supplies in the event of illness antinausea, anti-diarrhea medicines such as Compazine®.

For further tips on being prepared for travel, including what to do about insulin pumps and CGMS and a sample travel letter, visit Empower Your Health: Travel Tips for People with Diabetes

From the American Diabetes Association a printable PDF on the TSA rules and your rights: Travel and Diabetes Fact Sheet
